Heritage

In looking back through history we can learn so much about how to move forward. The Edgbaston and the history of mixed drinks provide a wealth of information to learn from, and to be inspired by.

The Edgbaston

£12.00

RASPBERRY TANQUERAY GIN ~ LANIQUE ROSE ~ ROSÉ CHAMPAGNE ~ ENGLISH GARDEN AROMATICS ~ FRESH LEMON

Our signature drink takes its inspiration from the ever so beautiful local area of Edgbaston, an eclectic mix of luxury and natural beauty. Known as “Leafy Edgbaston” its history includes the home of J.R.R Tolkien, the first ever game of Tennis and one of the UK’s largest botanical gardens.

Girls Best Friend

£12. 50

KETEL ONE VODKA ~ LILLET BLANC ~ TONKA SALTED CARAMEL ~ PINEAPPLE ~ PASSIONFRUIT ~ PROSECCO ~ FRESH LEMON

Celebrating not only the heritage of The Edgbaston and it’s luxury, but also celebrating the heritage of Birmingham’s “Jewellery Quarter”. Producing just under half of all of the UK’s Jewellery it’s definitely an area of outstanding craftsmanship, just like The Edgbaston.

That Coffee Cocktail

£10.00

UN-ROASTED BEAN BACARDI 8 RUM ~ AMARETTO ~ MR BLACKS COLD BREW ~ COFFEE KOMBUCHA ~ LOTUS CORDIAL ~ FERNET BRANCA

The Espresso Martini is the perfect pick me up cocktail. Created by a gentleman named Dick Bradsell in the 80’s, it has constantly changed to suit drinking trends. We’ve created one that encapsulates the entire flavour of the coffee bean, from un-roasted to cold brewed to heat extracted.

Smokey Old Bastard

£12.00

ARBEG 10 ISLAY MALT WHISKY ~ BYRRH RARE ASSEMBLAGE ~ MAPLE ~ VANILLA & ANGOSTURA BITTERS ~ EARTH & SMOKE PERFUME

Can you handle the Smokey Old Bastard? Bags of Islay peat with a touch of Sherry Finished Single Malt, French Aperitif and vanilla. Islay is definitely known for it’s whisky, but it’s also known as “Queen of the Hebrides” for its outstanding beauty and location.

Bellini, My Bellini

£9.00

PEACH BLOSSOM FINLANDIA ~ PEACH WINE ~ PROSECCO ~ WHEY

If you ever find yourself in Venice you must have a Bellini at Harry’s Bar. It was here that the mix of white peach puree and Prosecco were first introduced. As we’ve mentioned before, we believe you have to look back to be able to move forward; and this contemporary Bellini is exactly that.

Nature

For thousands of years we have taken inspiration from the beauty of mother nature. Whether it's the Landscape, storytelling or bugs; the touch of our unique and organic surrounding has guided many a creative process.

The Life of Tea £10.00

ROKU GIN ~ JASMINE SILVER NEEDLE ~ YUZU ~ SOUR MATCHA ~ FRESH BERGAMOT

The nature of tea is absolutely fascinating! Did you know all tea comes from the same plant? The CAMELLIA SINENSIS. Try saying that after a few of these! With a subtle nod to the Japanese tea ceremony this drink is all about the natural beauty of all tea, from Earl Grey to Green.

Daisy Chain £9.00

FINLANDIA VODKA ~ ST GERMAIN ELDERFLOWER ~ CUCUMBER FINO ~ SUMMER FRUITS ~ DISTILLED CHAMOMILE ~ FRESH LEMON

No matter the weather outside, we'll transport you to summer and the fresh open spaces of the British countryside. Definitely get the picnic blanket ready for this nostalgic serve. Taking that classic picnic experience that we all know and love, and making it a bit 18+.

Beached Negroni £10.00

CLAIRIN VAVAL RUM ~ STAR OF BOMBAY GIN ~ SEA HERB INFUSED LILLET ROUGE ~ CAMPARI ~ ICE CREAM TINCTURE

The British coastline is around 12,500km long. Spread along that coastline there are countless hidden bays and beaches that are just waiting to be stumbled upon. Nature is made for exploring and discovering so go and take in the sea breeze.

Adam & Steve £10.00

WOODFORD RESERVE BOURBON ~ VANILLA FIG ~ COX APPLE ~ REDUCED CIDER ~ TREE SAP ~ BLACK WALNUT

Apparently there's a story about 2 people and an apple? We LOVE apples, but it's 2019 so we've decided to tell a story about passion. Each component of this boozy serve is considered an aphrodisiac, so who knows where this one might take you.

Bee Bright £10.00

PROPOLIS INFUSED MEAD ~ MASONS LAVENDER GIN ~ FLORAL HONEY ~ DISTILLED BEE POLLON ~ FRESH CITRUS

Bee's are just awesome. Did you know the average worker bee will only produce a 1/12th teaspoon of honey in her lifetime? Each ingredient we've used showcases something a bee creates. This delicious cocktail highlights how much we need to look after the bees! Nature is cool.

Adventure

We all have different ways of getting our thrills... just like our inspiration! Whether it's travelling across the globe, adrenaline rushes or experiencing new cultures, there is so much to learn from the path of adventure!

Fairground Fix

£10.00

TANQUERAY GIN ~ HINE BRANDIED APPLE ~ FRESH LEMON ~ RASPBERRY ~ CANDY FLOSS

Everyone remembers their first time at the fair. Bizarre but intriguing! The Ferris Wheel, Dodgems, Hook-A-Duck or the Haunted House, all equally bonkers in their own right. The delicious treats are definitely the best part in our opinion though!

Summer In Mexico

£12.50

PATRON REPOSADO TEQUILA ~ VIDA MEZCAL ~ FRESH PRESSED WATERMELON ~ PEACH ~ TAJIN TINCTURE

Wanderlust is defined as “a strong desire to travel”. Travel is one of the best forms of adventure. Immersing yourself into a foreign culture can provide some of the greatest sparks of inspiration. This one is for those people that “don’t do Tequila”. Take a walk on the wild side!

Aloha!

£9.50

BACARDI ANEJO CUATRO RUM ~ APPLETON SIGNATURE RUM ~ BANANA ~ MACADAMIA ~ FRESH LIME ~ APHRODITE BITTERS

Hawaiian's believe the concept of “Aloha” to be completely unique, with no English equivalent. A word that means hi and bye, yet a word that is deeply rooted in the beautiful historic culture of Hawaii. We believe this drink embodies that. Oh my, Mai Tai!

Finding Nessie

£12.50

JOHNNIE WALKER GOLD LABEL ~ BRAEMBLE GIN ~ TALISKER SMOKED PINEAPPLE ~ MEADOWSWEET ~ PASSIONFRUIT

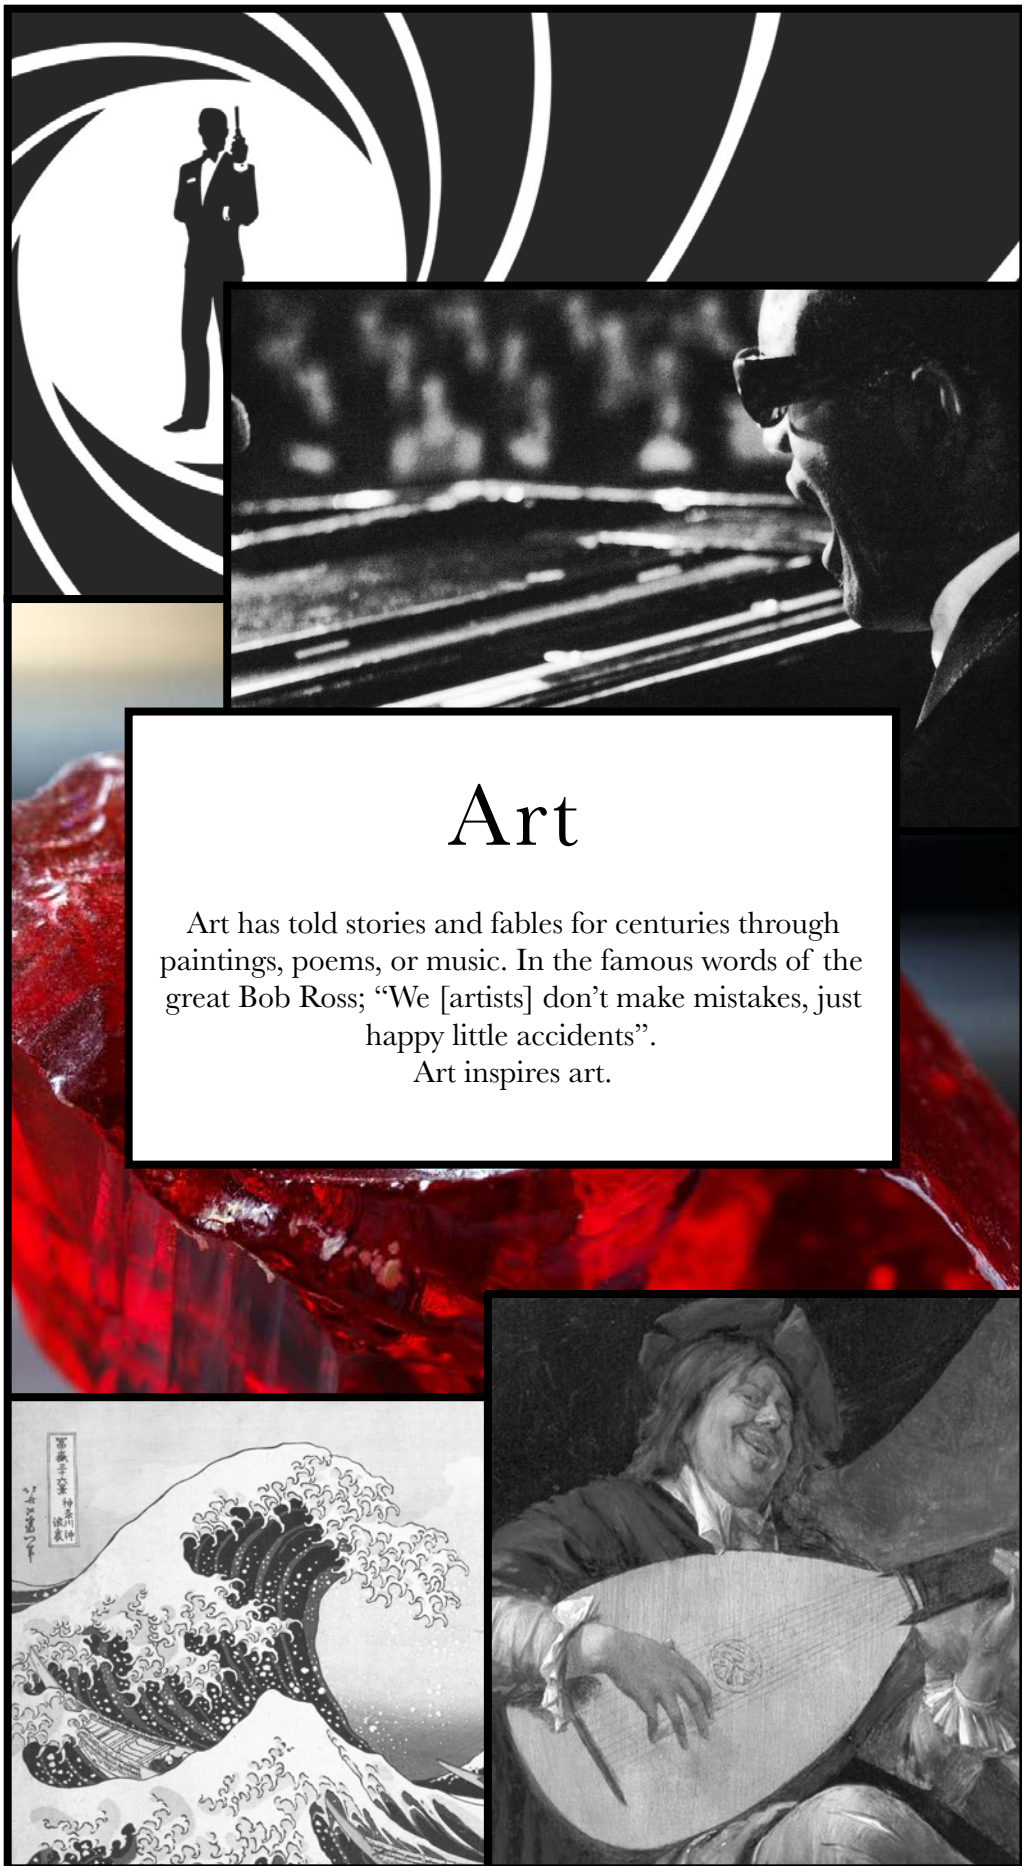

If Nessie the Loch Ness Monster did exist, it'd be 1454 years old by now. Historians reckon the first mention is in the 6th century, in Adomnán's book “Life of St Columba”. Definitely a pro at hide and seek it would seem.

Venezuelan Mango Dilemma

£10.00

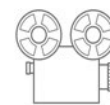

DIPLOMATICO PLANAS RUM ~ MANGO FORTIFIED WINE ~ LEMON VERBENA CORDIAL ~ LEMON BITTERS

In Venezuela someone actually hit the president in the head with a Mango. (That's even more ballsy than when someone egged Prescott!) The whole incident has inspired countless cartoons and even a song, which has helped ask the real question; “Why are people throwing mangoes at the president?”

Art

Art has told stories and fables for centuries through paintings, poems, or music. In the famous words of the great Bob Ross; “We [artists] don’t make mistakes, just happy little accidents”.
Art inspires art.

Elixir Of Life

£12.50

BROOKLYN GIN ~ RHUBARB & GENTIAN LIQUEUR ~ CHAMPAGNE ~ GINGER CORDIAL ~ FERNET BRANCA

The elusive potion of many names. We’ve been telling stories of immortality and eternal youth for centuries and across dozens of cultures. One Chinese scholar found a 1000 names for it! One of which is “Dancing water”! We can’t promise eternal youth, but definitely 6-8 hours worth.

The Names Bond, <Insert your name here> Bond

£13.50

GREY GOOSE VODKA ~ ST GERMAIN ELDERFLOWER ~ EXTRA DRY SAUVIGNON BLANC ~ SUZE ~ SCOTCH WOOD

James Bond seemed to be nearly as obsessed with cocktails as we are. This is our homage to the classic books and films, while adding a modern take on classic ingredients that inspired Ian Fleming while he created the adventures of Mr. Bond.

Hit The Rum Jack

£12.00

RON ZACAPA 23 SOLERA RUM ~ TONKA ~ MARTINI RUBINO ~ WALNUT WINE REDUCTION ~ AMARGO CHUNCHO BITTERS ~ VALRHONA CHOCOLATE

Ray Charles is an absolute legend in our eyes! The king of jazz and the pioneer of soul. If we could have made a drink for him today, this would be it. As smooth and silky as “The Genius” himself.

The Great Wave

£12.00

NIKKA TAKETSURU PURE MALT ~ AKASHI-TAI GENMAI AGED SAKE ~ SALTED CARAMEL ~ WALNUT ~ DISTILLED NORI

“The Great Wave Off Kanagawa” is a beautiful print by Japanese artist, Hokusai, depicting the power and beauty of the sea. The team haven’t been to Japan unfortunately. We did take a day out to Cleethorpes... Though it might not have the same effect as the Kanagawa print.

“Said The Actress To The Bishop”

£10.00

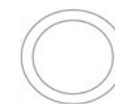

GRAPEFRUIT WHEAT BEER ~ HIGHLAND PARK 12 SINGLE MALT WHISKY ~ CHAMBORD ~ FRESH LEMON ~ “WET” SMOKE

Possibly the best way to ever say “That’s what she said”. Language has paved the way for so much art, modern and ancient, and this phrase shows how we’ll always love a good bit of banter. Also a nod to our all-time favourite Birmingham pub!

Cuisine

Food is art, really! Whether it's a filthy burger from Original Patty Men or a beautifully designed plate from Simpsons, experiencing different styles of cuisine opens a whole new world of flavour.

Scandi Crayfish Party

£9.50

OXLEY GIN ~ ÅHUS AKVAVIT ~ SWEETHERB & SHISO CORDIAL ~ WILD STRAWBERRY ~ FRESH LEMON ~ TONIC

If you find yourself in Sweden or any of the Nordic countries over summer you could come across one of these! Traditionally held to celebrate the Crayfish harvest in late summer and famously rowdy affairs. There isn't a specific drink that's consumed along side, but if there was, this would be it.

Alexander The Digestif

£9.00

PISTACHIO FINLANDIA ~ HENNESSY VS ~ CHOCOLATE KEFIR MILK ~ COCOA

Everyone loves a little dessert tippie after dinner. Whether that be brandy, a little fortified wine or something nice and creamy. We decided to put all of those in the same glass for you and the result is outstanding. Like Alexander the Great, conqueror of all things after-dinner related!

Java Juice

£10.00

NUSA CANA RUM ~ ARRACK ~ HOUSE JAMU ~ ALOE VERA CORDIAL

Jamu is a local tonic that has been used for nearly every ailment under the sun on the islands of Indonesia. It's comprised of Tamarind, Turmeric, lime and ginger. We've taken inspiration from the local history of Jamu and created this drink with Indonesian produce at heart.

Clearly an Old Fashioned

£10.00

MACALLAN GOLD SINGLE MALT ~ WOODFORD RESERVE BOURBON ~ ORANGE OIL ~ ANGOSTURA ~ RE-DISTILLED

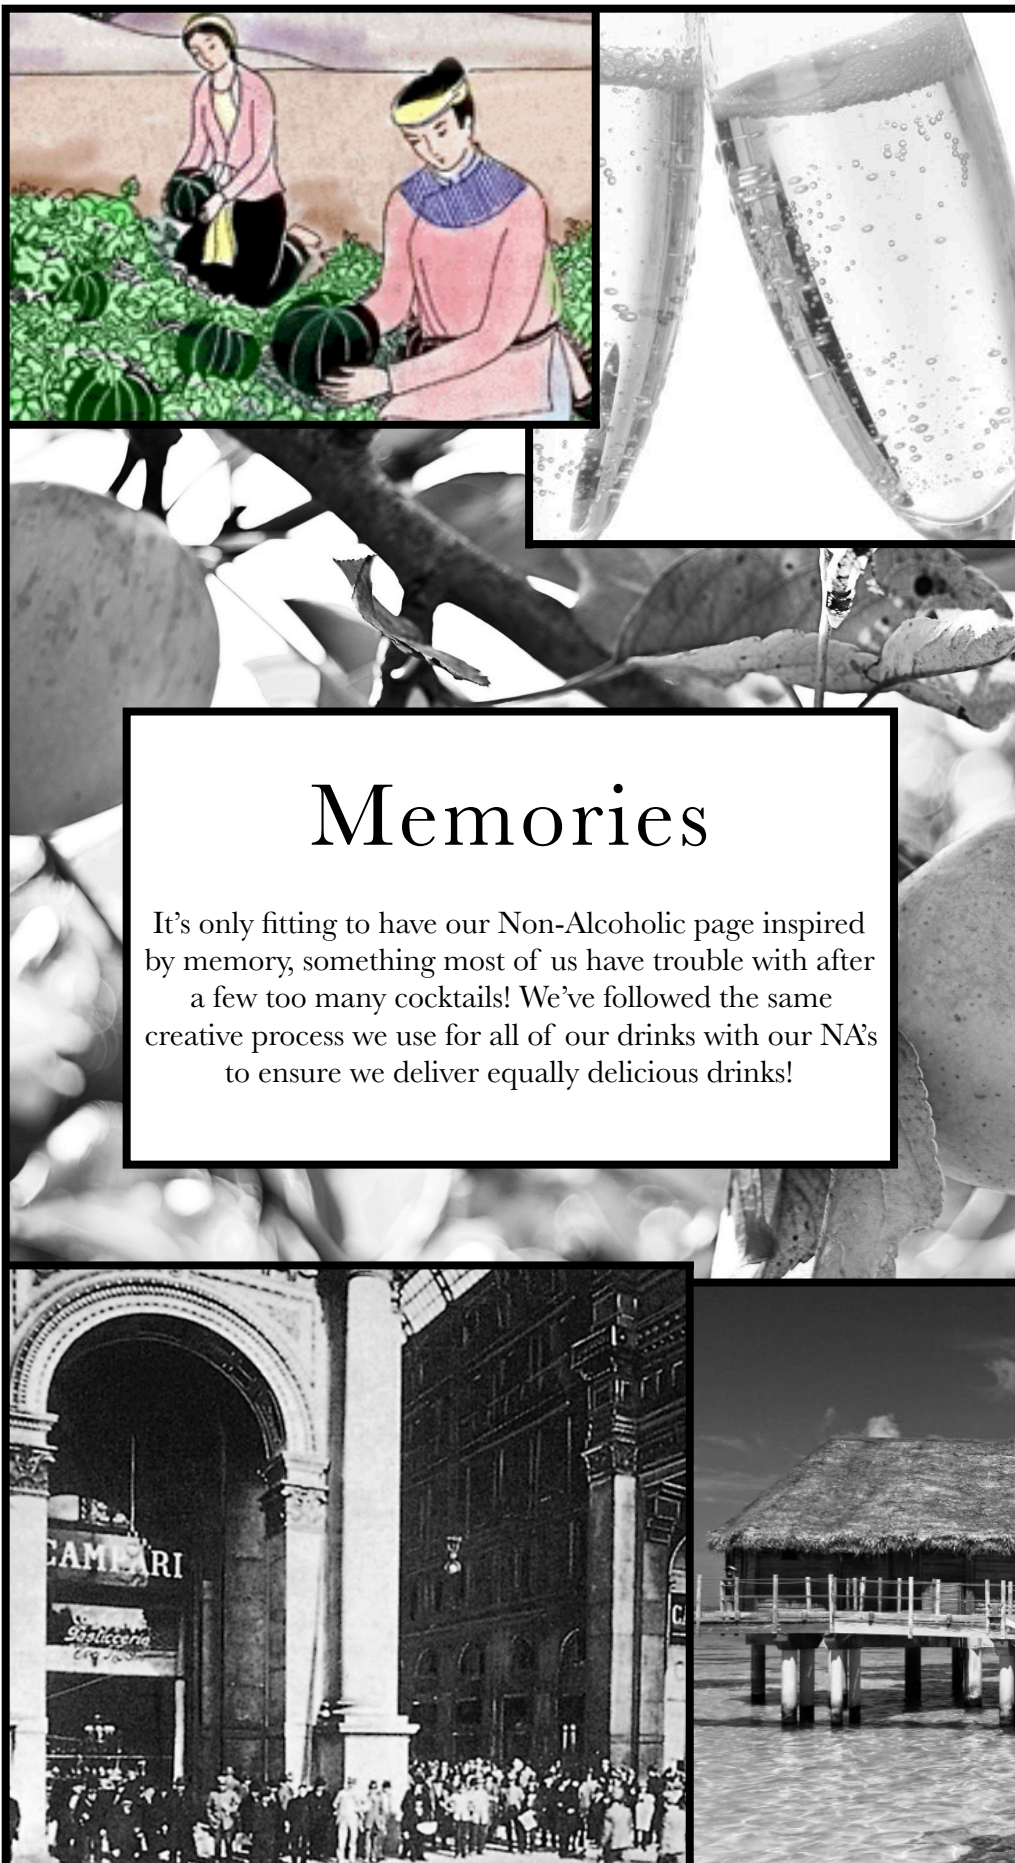

Perception is a wonderful thing. Restaurants the likes of El Bulli and Enigma have, and continue to push the world of fine dining into new and unknown territories. This Old Fashioned embodies their creative process and will be unlike any Old Fashioned you've had before.

Planet of the Grapes

£9.00

BARSOL PISCO ~ MARTINI AMBRATO ~ AMONTILLADO SHERRY ~ VERJUS ~ TARTARIC ACID ~ CARBONATED GRAPE JUICE

We've been manipulating the flavour of grapes for thousands of years. The earliest evidence of wine being made from grapes is around 7000 BC! We're still finding weird and wonderful ways to manipulate the flavour to create something new and delicious. Every ingredient here starts as a grape!

Memories

It's only fitting to have our Non-Alcoholic page inspired by memory, something most of us have trouble with after a few too many cocktails! We've followed the same creative process we use for all of our drinks with our NA's to ensure we deliver equally delicious drinks!

Tea Total £7.50

BUTTER DISTILLED SEEDLIP GROVE ~ GINGER ~ LEMON VERBENA ~ VERJUS ~ DARJEELING TEA KOMBUCHA

Tea was a major component in some of the oldest cocktails we know. Here we're using the versatility of the tea leaf to create a NA champagne. Looking to the beginning of our craft to create something fitting for the modern day cocktail drinker.

One In A Melon £6.00

PRESSED WATERMELON ~ SMOKED BLACK TEA KOMBUCHA ~ PINEAPPLE ~ FRESH LEMON ~ COOKED RASPBERRY

The Legend of the Watermelon is a story about the origin of the delicious fruit in Vietnam. It tells the story of a prince and his family who were cast out to a deserted island, where they find watermelon for the first time. They grow, sell them and live a happy life, proving that even if you lose everything, you can always start again. It's a tradition in Vietnam to eat roasted watermelon seeds at New Year because of this story!

Old English £7.00

OAK AGED SEEDLIP GARDEN ~ CLEAR APPLE JUICE ~ CIDER VINEGAR ~ TONIC

The UK has apparently produced apples since 1066! They were produced here but only sold as a luxury to those in London. The first recorded widely enjoyed apple is the "Old English" and served as the base for numerous traditional British desserts we still make today!

Taste of Tahiti £6.00

PASSIONFRUIT ~ LAVENDER HONEY ~ BANANA ~ COCONUT WATER

A taste of holiday and a paradise on earth. The islands of Tahiti and Moorea give very little from their natural flora and fauna, but that which they do give is captured here in our true taste of Tahiti.

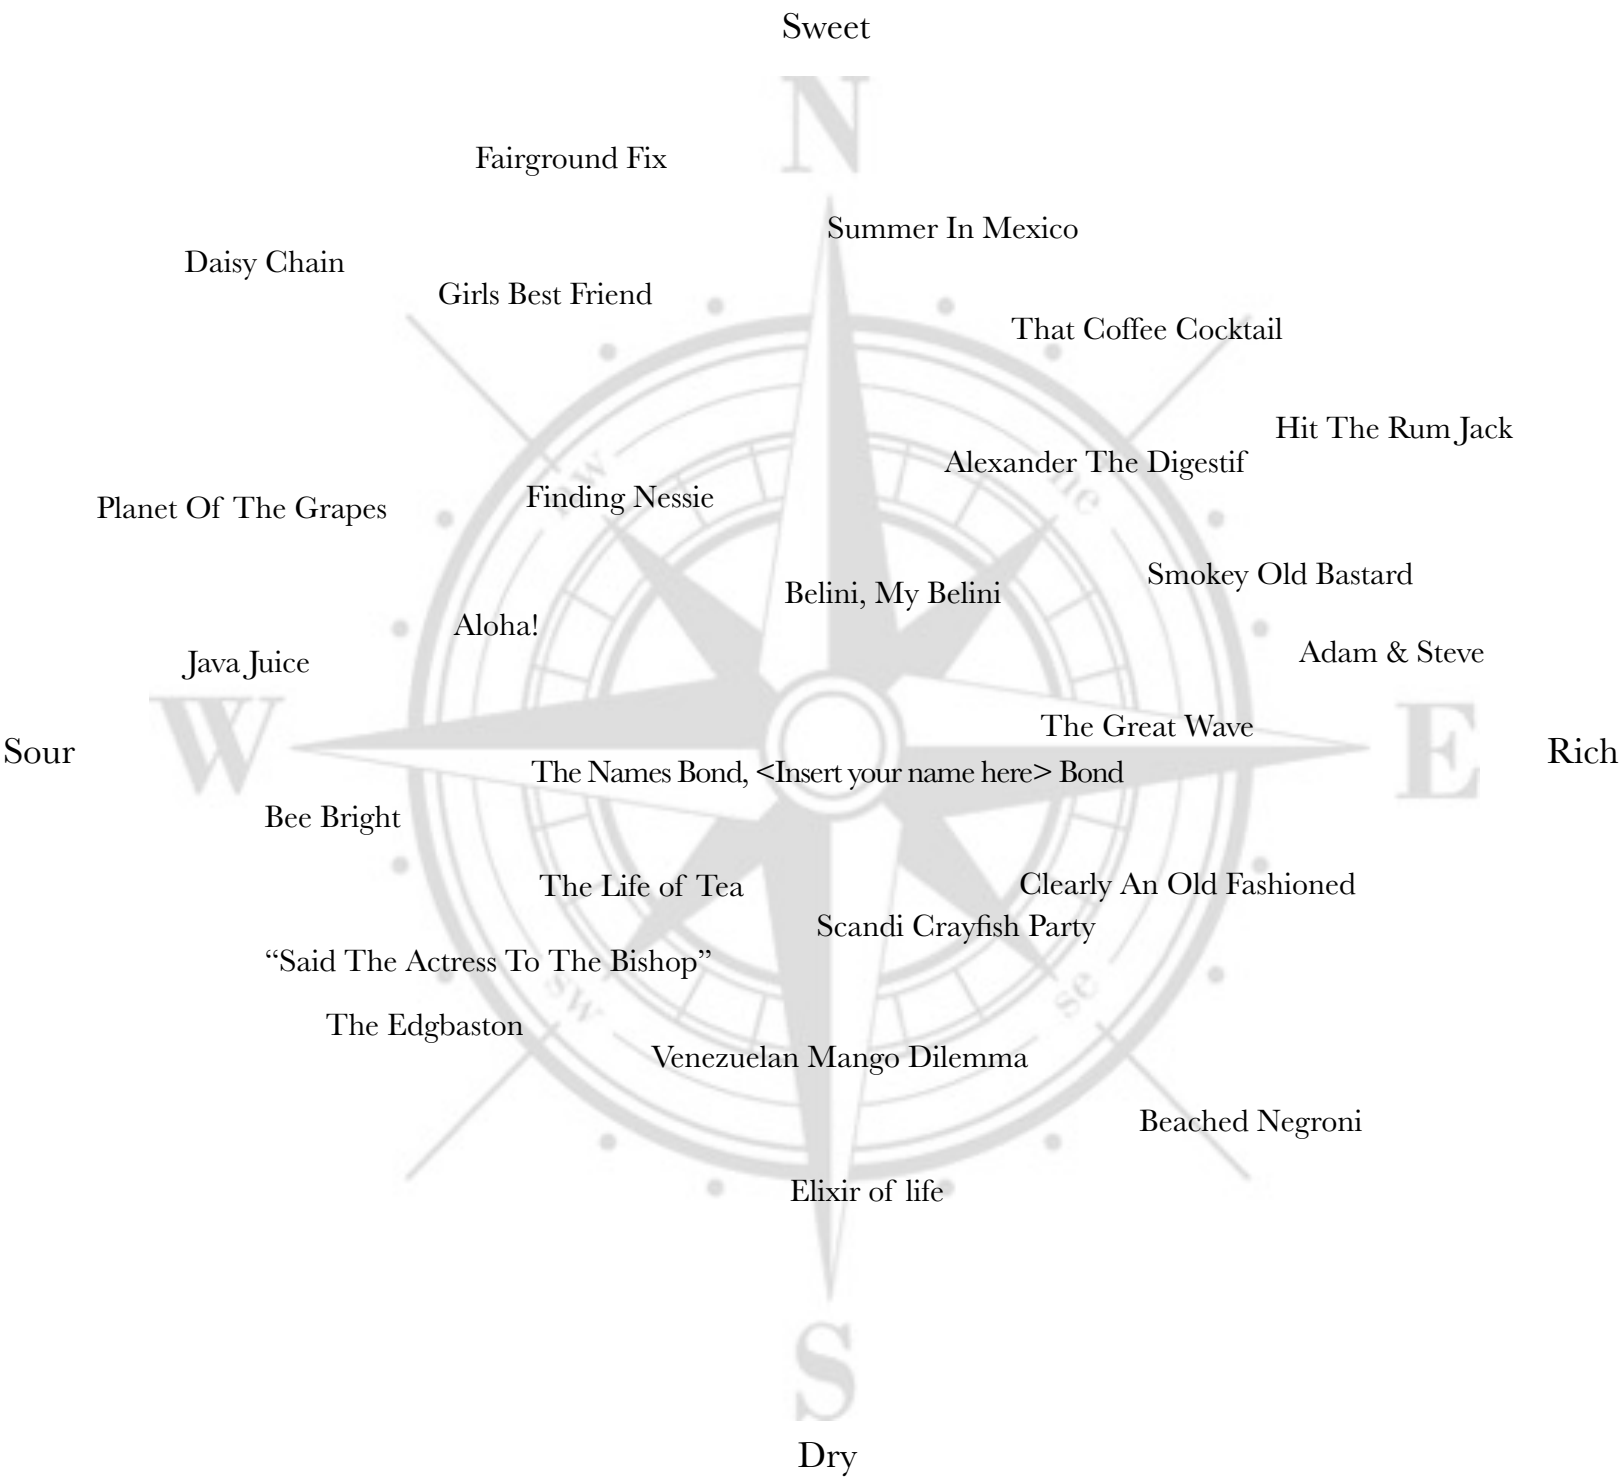

America-NO £7.50

SEEDLIP SPICE ~ STRAWBERRY ~ WORMWOOD TEA ~ NA BITTER APERITIF SODA

Classic Italian aperitif cocktails are a real favourite on the bar, so we took it upon ourselves to make a super delicious NA version. A play on one of the originals, the Americano Cocktail, this long and refreshing libation has all of the flavour with none of the booze!

INSPIRED FLAVOUR MAP

We’ve mapped out our cocktail menu to help you pick your libation based on desired flavour profile.

The Resurgence of The Highball

Pigeonholed as a G&T, or a Scotch and soda, highballs have long been under-utilised. We're on a mission to bring you something fresh, a new way of thinking about your spirit mixer!

Gin & Summer £9.00

PLYMOUTH SLOE GIN ~ BRANCA MENTHA ~ WATERMELON & CUCUMBER SODA

The British summer doesn't last as long as we'd all like, but with this in hand it could be -5 outside and you wouldn't know it!

Vodka & City Life £9.00

CHASE ESPRESSO VODKA ~ BLOOD ORANGE ~ FEVERTREE TONIC

"It was all a dream" is how this one all started. We were determined to give the vodka tonic drinker something new and exciting. A Cosmo, Espresso Martini tonic hybrid. Outstanding.

Rum & Paradise £10.00

DIPLOMATICO PLANAS ~ YUZU ~ COCONUT WATER

Where's your paradise? The Tiki movement was all about escapism, and giving that holiday feeling on a Friday afternoon after a tough week in the office. We wouldn't call This tiki as per se, but it's definitely paradise.

Whiskey & Italy £9.50

REDBREAST 12 ~ APEROL ~ POMEGRANATE

For so long the whisky highball has just been whisky and soda. Well we believe whisky deserves to be way more fun than that... So we took it on holiday, to Italy!

Bourbon & Tea £10.00

MARKERS MARK ~ EARL GREY CORDIAL ~ LEMON ZEST SODA

Black tea became the staple in iced teas simply due to its cheap import price in comparison with green and white. It was at the 1904 World's Fair in St. Louis that the Iced Tea became a real classic!

Cognac & Pear Orchards £10.00

H BY HINE ~ AMONTILLADO SHERRY ~ BITTER PEAR SODA

The French Pear was The Sun King's Favourite! King Louis XIV loved them so much that he grew them in his garden at Versailles. Even today there are around 130 varieties grown at the garden museum.
